P R E F A C E

Dear guest,

The welcoming subtropical indoor garden, Café Jakarta with surprising Dutch-Indonesian dishes, the phenomenal panorama from our trendy Malabar ... Or what about a relaxed wellness with pool, the 200 pleasant hotel rooms and the spectacular and sustainable character of our hotel? Hotel Jakarta Amsterdam has a lot to offer. That is why we are so very pleased with your interest in our hotel!

A business dinner in a Javanese atmosphere, say yes under Asian palms, a multi-day conference in our multifunctional meeting rooms, a family reunion or product presentation with breathtaking views... Whatever your wishes and whatever event you organize, at Hotel Jakarta Amsterdam we like to make your event an unforgettable experience.

This guide gives you a small impression of the unlimited possibilities and facilities in our hotel. But of course we would rather let you see and experience everything personally. We are happy to make a tailor-made proposal together with you.

Feel free to contact us for a visit and all of your questions and comments. We can be reached by telephone on +31 (0) 20- 2360000 or by e-mail on mc.jakarta@hoteljakarta.nl.

We look forward to welcome your guest in our hotel.
See you soon!

Sampai jumpa,

Frank Tuhusula & team

GENERAL INFORMATION

HOTEL ROOMS AND SUITES

Hotel Jakarta Amsterdam by WestCord is a 4 star hotel with 200 rooms which are all non-smoking. The 200 hotel rooms are divided in 5 suites, 1 WOW-suite, 18 junior suites and 176 superior rooms. All the hotel rooms are equipped with a shower, separate toilet area, minibar, laptop safe, iron and iron board, and free Wi-Fi facilities.

176 superior rooms have a total surface of 27 sqm and a balcony of 3 sqm of which 94 rooms have a shower, 82 rooms have a shower and separate bath. The junior suites vary from 30 sqm -38 sqm. The suites are 41.8 sqm and have a phenomenal 180 degree view over the River IJ.

MULTI FUNCTIONAL ROOMS

Hotel Jakarta Amsterdam offers 245 sqm of meeting area and a variety of events. This space can be split up within three separate meeting rooms overlooking the subtropical indoor garden with natural light and on the other side a fantastic view towards the historical centre of Amsterdam and the River IJ.

Total surface:	245 m ²
Bandung:	105 m ²
Yogyakarta:	70 m ²

Surabaya: 70 m²

FACILITIES

Café JKRT (Jakarta)

Café JKRT (Jakarta) is the living room of Amsterdam. In line with our vision 'Two Worlds Connected', we are serving very special dishes: in which for example Western dishes, combined with Eastern spices and tastes and also traditional Indonesian dishes and Western dishes. You will find them on our menu.

Our spacious terrace is located next to the water and will give you a wonderful view over the River IJ and the passing boats. During summer, you can watch the passing cruise ships and the sunset behind the city of Amsterdam.

GENERAL INFORMATION

SKYBAR MALABAR

During and after the sunset, Malabar will be the place to be. You can drink a wonderful cocktail and taste our delicious and surprising Asian bites while you are watching the sunset. Enjoy the view over the River IJ while you see the cruise ships leaving, people swinging on the A'dam tower. The exclusive Sky bar is located on the top floor of Hotel Jakarta. On the mezzanine of Malabar is a DJ booth where our amazing DJ's will play lovely music.

Nice fact: Malabar is named after a two thousand meter high volcano on Java, south of the city Bandung.

WESTERS BAKERY

If there is not enough time for breakfast or like to have a nice sandwich for lunch? Hotel Jakarta will offer you a delicious bakery, the place to be when you would like to have fresh baked bread, pastries or a coffee to go. Westers bakery is located on the east side of the hotel, for guests accessible through the indoor garden and for local people accessible through a separate entrance located in the Tosaristraat at street level. It is not a coincidence that Hotel Jakarta has it's own bakery. The founder of WestCord Hotels was born in a real bakers family. Therefore, the bakery is an tribute to the original bakery called Westers bakery which is located on Vlieland since the fifties.

LOCATION AND ACCESSIBILITY

Hotel Jakarta Amsterdam is located on the tip of the Java Island Amsterdam, next to the River IJ with a spectacular view towards Central Station, Amsterdam North, the backside of "Pakhuis de Zwijger" and towards the Passenger Terminal Amsterdam. With bus number 43 in front of the door and tram number 26 within a walking distance of 3 minutes, you will have Central Station and the historical centre on a stone's throw.

The hotel is also easy and fast to reach from highway A10 - S114 and through the Piet Hein tunnel. Because of the renewed infrastructure behind Central Station, the hotel is easy to reach from the west side of the city as well.

PARKING POSSIBILITIES

The hotel has an indoor parking and a capacity of 86 parking spaces in total. The costs for parking will be €40 per night or €15 per day. In addition, the hotel offers 20 electric charging points for hotel guests. The hotel also offers a bike rental service for €17 per day to get in town during your stay in Amsterdam.

WELLNESS

ENJOY

WELCOME WELLNESS

This is the place to be when you want to relax on the Java-Island.

Besides hotel guests, we also offer these wellness-facilities to outside residents.

The wellness has it's own entrance on the Tosaristraat, next to the bakery.

Swimming while you overlook the River IJ

The wellness area is located at the east side of the hotel with a direct view over the River IJ. It is really worth to take a swim in our pool. After swimming, take a seat next to the pool and relax. The treatment rooms are very modern when it comes to design and interior. The design has a great influence from Indonesia to create a wonderful atmosphere. You can enjoy a massage, facial treatment. There is also a gym available to exercise while you are overlooking the River IJ.

Sustainable beauty by the products of Comfort Zone

The products are rich in natural ingredients (up to 99 percent) and free from silicones, parabens and animal derivatives. The pursuit of sustainable beauty is not only our mission, but also our responsibility to the world in which we live.

B R E E A M

**Hotel Jakarta Amsterdam has received the BREEAM-
"Excellent" certificate, with a score of 71.81%.**

BREEAM-NL New Construction and Renovation is the hallmark in the Netherlands for assessing new construction projects and large-scale renovations on sustainability performance. Buildings are assessed on nine different sustainability topics, including energy, water, materials and waste. BREEAM stands for Building Research Establishment Environmental Assessment Method and was originally developed and introduced by the Building Research Establishment (BRE), an English research organization similar to the Dutch TNO.

- ✓ The design of the building ensures that there is sufficient daylight access within the residential areas for visual comfort and well-being of guests, in part due to the presence of an atrium in the central part of the building.
- ✓ The environment, including local residents, is closely involved and informed about the state of affairs.
- ✓ The future stakeholder who are involved with the development of the building.
- ✓ The design and layout of the building also serves as an objective to make guests aware of sustainability.

GREEN KEY

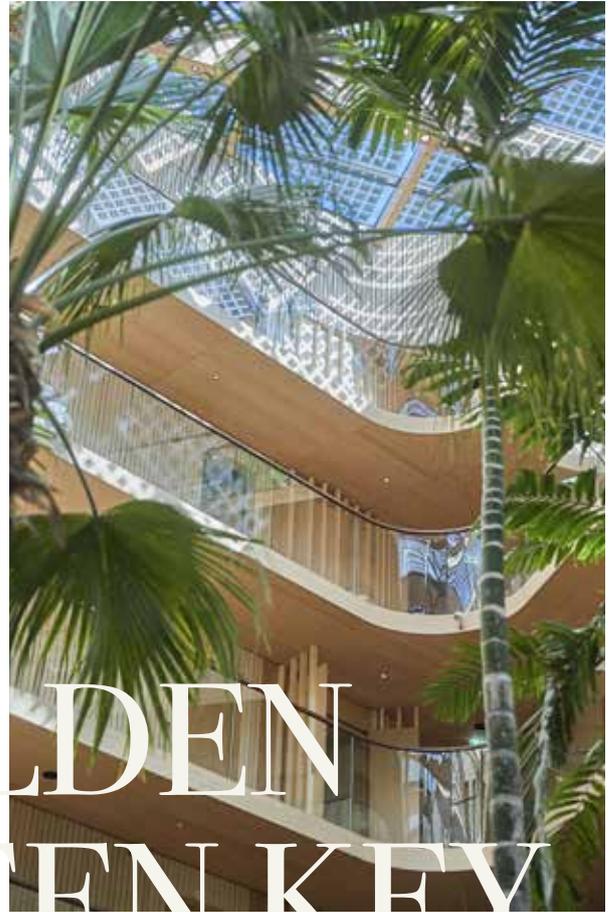

GREEN KEY

Hotel Jakarta Amsterdam is committed to make your stay as pleasant and comfortable as possible. Our goal is, your experience at our hotel to be a positive one that will provide a lasting memory.

We also see it as our obligation to provide these services both professionally as possible and in the most socially responsible way. This means we operate with a focus on people, planet and society.

We organize our activities according to a sustainability program to ensure that the use of water, energy and raw materials is reduced or made more sustainable on an ongoing basis. We also aim to reduce the environmental footprint of our activities. For example, we continuously work to make our purchasing process sustainable.

Examples of this include purchasing certified fish, local products, 'green' office supplies and environmentally-friendly detergents. Hotel Jakarta Amsterdam has been awarded a Golden Green Key Certificate. It is an international sustainability quality mark for businesses in the tourism and recreation industry.

GOLDEN GREEN KEY CERTIFICATE

Businesses that hold the Golden Green Key Certificate are focusing on sustainability and environmental consciousness in a serious and measurable way. WestCord Hotels' environmental policy consequently goes beyond what is required by laws and regulations. For more information about the Green Key Certificate and the requirements that must be met, please visit www.greenkey.nl.

ACTIVITIES

FAMILY

Hortus Botanicus

Is a modern botanical garden where the world of humans and plants are leading subjects. At the same time both the rich history as the intimate nature of the garden are still retained and visible. The backbone of the Hortus is formed by a special collection of living plants from all over the world, which is scientifically managed and will be shown to the public as much as possible.

Science Center Nemo

Is an interactive, informal learning environment where a broad public will be in contact with science and technology. Visitors see, hear and experience how scientific phenomena and technology affect their lives. NEMO works closely together with the science and education. NEMO also has a historical collection and is a registered museum. Except in the city center of Amsterdam, you can also experience NEMO to experience at Schiphol Airport.

Artis zoo

Is located in a park in a great location where culture goes hand in hand with animals and wisdom with pleasure. Artis was founded in 1838 and is the oldest Zoo of the Netherlands. The full name of the Zoo is; Natura Artis Magistra. This is Latin for: nature is the teacher of art and science

Tropen museum

Is an museum about people, located in one of the most beautiful and original museum buildings of The Netherlands. Out of the monumental "Light Hall" you will have a great view over the museums interior. The museum tells a human story and makes visitors curious about the enormous cultural diversity of the world. They will tell you everything about universal themes such as mourning, celebrating, decorating, praying or fighting. From Africa to West- and South-Asia, from New-Guinea to Latin-America and from a travel story to a music journey – In the museum visitors will explore that, besides a few differences, people are all the same: they are all human beings.

ACTIVITIES

SHOPPING AREAS

The 9 streets

9 shopping streets in the canals of Amsterdam. In the heart of Amsterdam, just behind the Royal Palace between 'Raadhuisstraat' and 'Leidsegracht'. Since the 1990s, they are the 9 streets. Between Singel, Herengracht, Keizersgracht and Prinsengracht you can find the most beautiful stuff, the hippest shops and the most special catering. But also: a wonderful insight into the ancient architecture of the Amsterdam canal belt.

TRADE, CRAFT AND CULTURE

De Bijenkorf

is a very impressive department store which is built in 1915, in front of the Royal Palace of the Dam square and the church. This department store has been a very convenient experience for more than a century already. The department store is specialized in luxury articles of different designs. It would be really spectacular to visit all the boutique shops with your own personal shopper. Of course you could also enjoy a wonderful glass of champagne on the top floor of this iconic department store.
