

Host your meetings and events

at The Hague Humanity Hub

WELCOME TO THE HUMANITY HUB

The Hague Humanity Hub is a non-profit foundation that supports and strengthens The Hague ecosystem of organisations and professionals working for a more peaceful and just world.

We facilitate collaboration and innovation by offering the necessary ingredients for chance encounters, inspirational collaborations, and the exchange of knowledge across sectors. The Humanity Hub also offers a beautifully designed 2000m² campus, where professionals can connect and collaborate, work, and organise events.

Ideal location in the centre of The Hague

The campus is in the heart of The Hague, a few minutes from Centraal Station, and features 8 meeting and event spaces in different configurations and sizes, designed to be fully customisable based on the requirements of your event. It's the perfect space to hold an inspiring meeting or event.

We care about your success

Whether you are planning an in person or hybrid meeting, a panel discussion, training or workshop, book launch or podcast, or hosting a reception or symposium, our dedicated Meetings & Events team can help turn your idea into a successful event.

A sustainable choice

We recognise the profound impact that our actions can have on the world around us. Guided by our mission for positive change we are committed to sustainable social, environmental, and economic practices, such as energy efficiency, waste reduction, vegan and vegetarian food, and local supply. For more information, ask us about our sustainability policy.

Book a meeting room

You can book a room directly online, it's quick and easy!

MAPLE

Suitable for a broad range of meetings from creative workshops to round-tables, Maple is the ideal space to explore big ideas. This dynamic room with warm-toned wooden walls is spacious and bright with large windows providing ample natural light.

If you need to combine physical and virtual attendance, our optional hybrid services can host up to 100 people per event and unlimited livestream viewers.

WILLOW

Willow is a medium-sized multifunctional room, surrounded by windows on two sides and wooden and glass walls.

A versatile choice, Willow can be configured as boardroom, workshop, and theatre, making it perfect for medium-sized meetings, interactive workshops, and book launches. Its ergonomic design and warm and natural colour tones inspire creativity, making it an ideal spot to brainstorm with your team.

BAOBAB

Baobab is a bright medium-sized meeting room with a great view of The Hague city centre.

The bright windows, the green wall and natural wood furnishing make it a relaxing environment in a quiet corner of the Humanity Hub.

The room has a large table that can comfortably accommodate up to 12 guests.

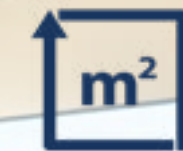

MAGNOLIA

Magnolia is one of our most popular spaces, a versatile room defined by its unique curved wall. Thanks to its spacious size, Magnolia is a great choice for comfortable all-day sessions.

With our extra services, you can book Magnolia with a large screen and video conferencing support and reserve a large whiteboard to write down your ideas.

EUCALYPTUS

Eucalyptus is a bright room, with large windows overlooking the city centre of The Hague.

This room is perfect for small meetings, hybrid presentations, or focused strategy sessions, and can be booked with large TV and video conferencing support. Need a brainstorming session? Add a large whiteboard and a flipchart to capture all your ideas!

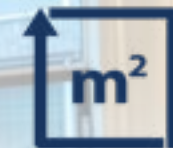

JACARANDA

Jacaranda is our smallest meeting room, perfect for in-person conversations, offering a particularly cosy and private environment.

With a table comfortably seating up to 5 guests, Jacaranda is designed for in-person meetings.

Catering

As a perfect complement to your meeting room reservations, we offer a wide range of refreshments, including hot and cold beverages, morning and afternoon snacks, hot and cold lunches plus reception platters, wine, and beer.

We work with local catering partner Karsten & Kuipers to offer seasonal, healthy and sustainable vegetarian options, using organic and Fair-Trade sourced ingredients where possible. You can also enjoy home-baked cakes from our hospitality manager.

Hybrid Events, Live-Streaming, and Multimedia

Hybrid events & Live-streaming

We can provide hybrid events and livestreaming services, with the possibility of having multi-camera setups (1-4 cameras) and a maximum event/stream length of 8 hours. Get in touch for more information and for a custom offer based on your requirements.

These services are provided in collaboration with our media partner, [Holland Park Media \(HPM\)](#).

Photography & Videography

We can offer photo coverage of your events and extra services like creating captivating after movies, promotional reels, or social media content during your event. With high-quality editing and multi-person teams, it's a great way to amplify the impact of your work.

Simply get in touch with our reservations team for more information and prices!

Connect with the Peace and Justice Community

The Hague Humanity Hub has a wide network of players active in the peace and justice community. Are you organising a relevant event for the peace and justice ecosystem and want help getting the right people in the room?

We can help with targeted invitations within our network and promotional activities on our platforms.
