

Club ACE

Welcome to Club ACE

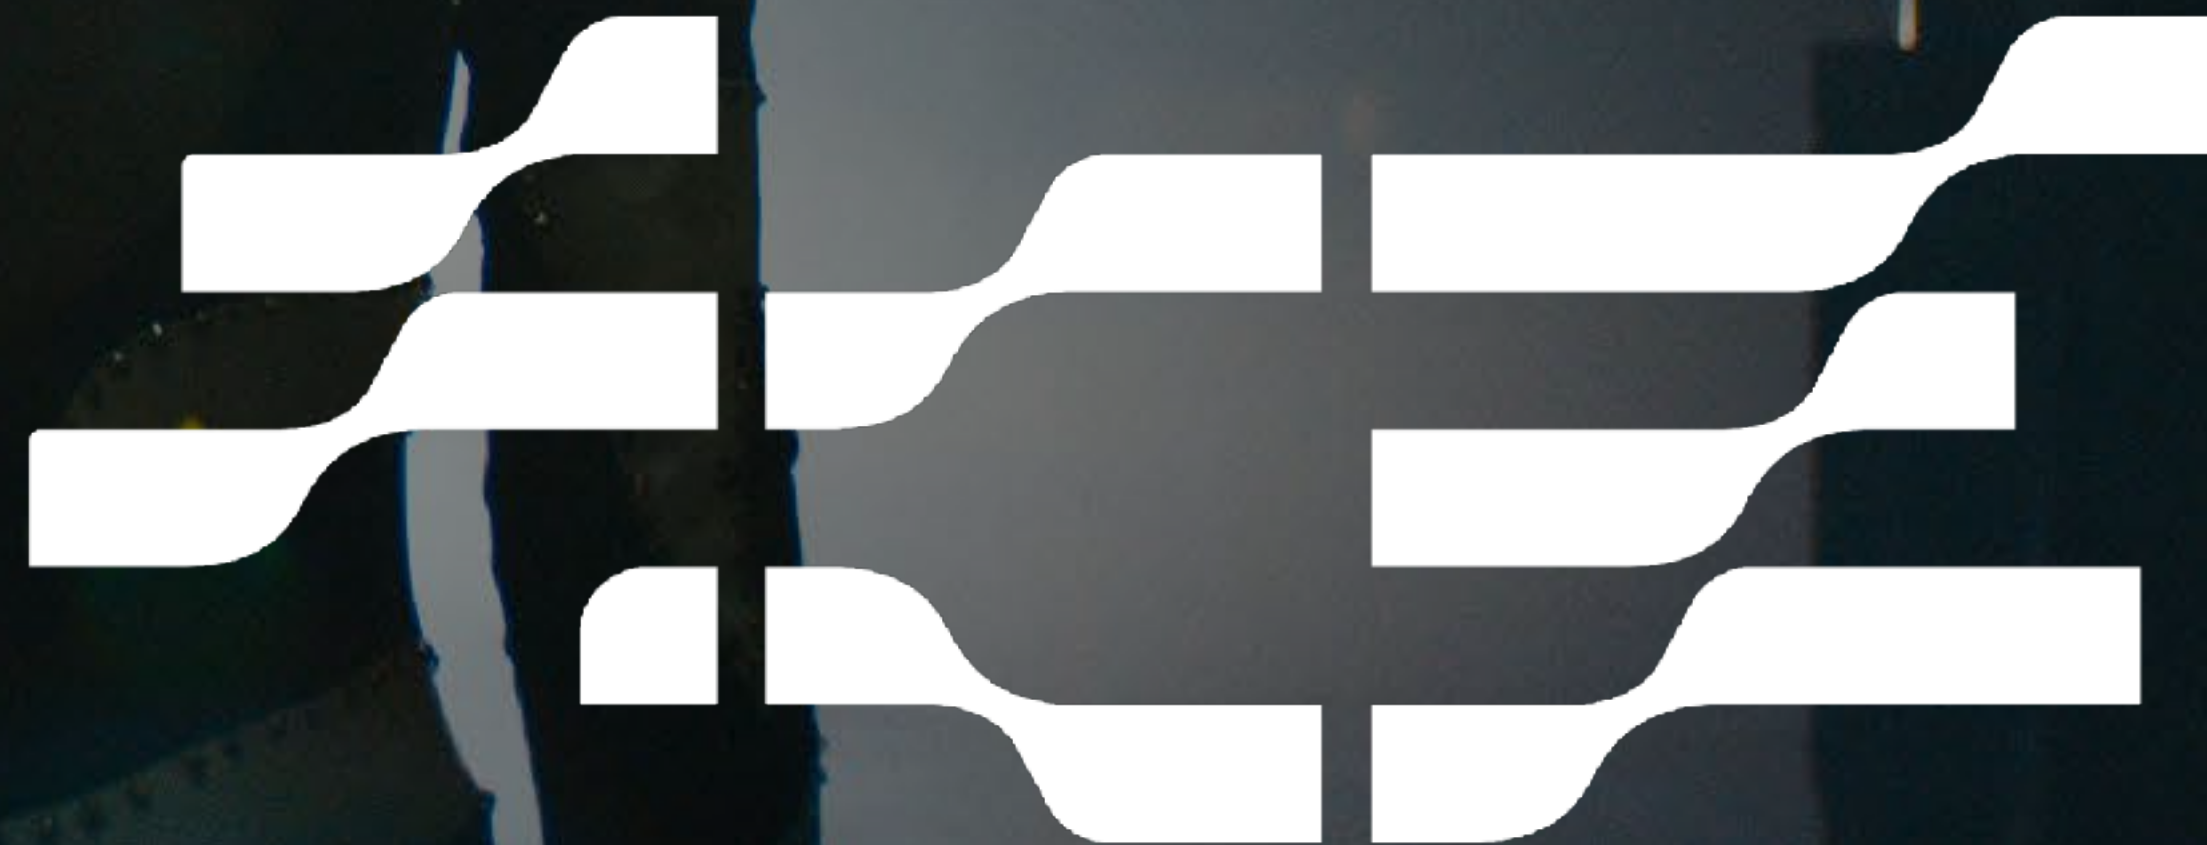

Club ACE was born from the creative heart of ACE Agency

A space that unites everything we do at ACE — we think, create, make, and act. This mentality runs through our veins and lies at the heart of this place.

Club ACE is not just a venue to rent; it's a stage where ideas land, brands come alive, and stories unfold. At Club ACE, we design events with substance, creativity, and impact.

We work across five distinct directions. Modular in form, yet built on the same premise: an event is never just logistics; it's always a story.

Endless possibilities, one creative stage

Club ACE transforms to fit your vision – from sharp sessions to buzzing parties. Flexible, creative, and designed so every event makes an impact.

Meeting Rooms

Small setting, big results

Your meeting isn't just another item on the agenda. It's a chance for a focused session, a meeting with vision, a pitch that sticks. Our meeting rooms are designed for progress, because that's how we work. You don't need to explain what you want; it's already taken care of.

 4 – 25 people

 Team meetings, offsites, strategy sessions, executive or board meetings, brainstorming, co-creation or pitch days

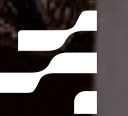

B2B Days

For sessions with real impact

An inspiration session, strategy day, or offsite only works when the space sparks thinking and connection. Where content meets creativity, something more happens – culture grows. At Club ACE, your day becomes tangible, inspiring, and aligned. We know how to set the stage so people leave motivated and ready to move forward together.

 50-150 people

 Inspiration days, knowledge sessions, kick-offs, (commercial) strategy days, and everything in between

Seated sessions

Meaningful meals, with a message

Some conversations deserve more than just coffee. A good breakfast can kickstart collaboration, lunch can spark new ideas, and dinner can deepen relationships. Our seated sessions set the stage for these moments — not a typical restaurant, but a space that reflects your brand or team culture. The result: guests leave with full plates and fresh perspectives.

 50-130 people

 Leadership breakfast, relationship dinner, community meet-up, End of Year dinner

Big celebrations

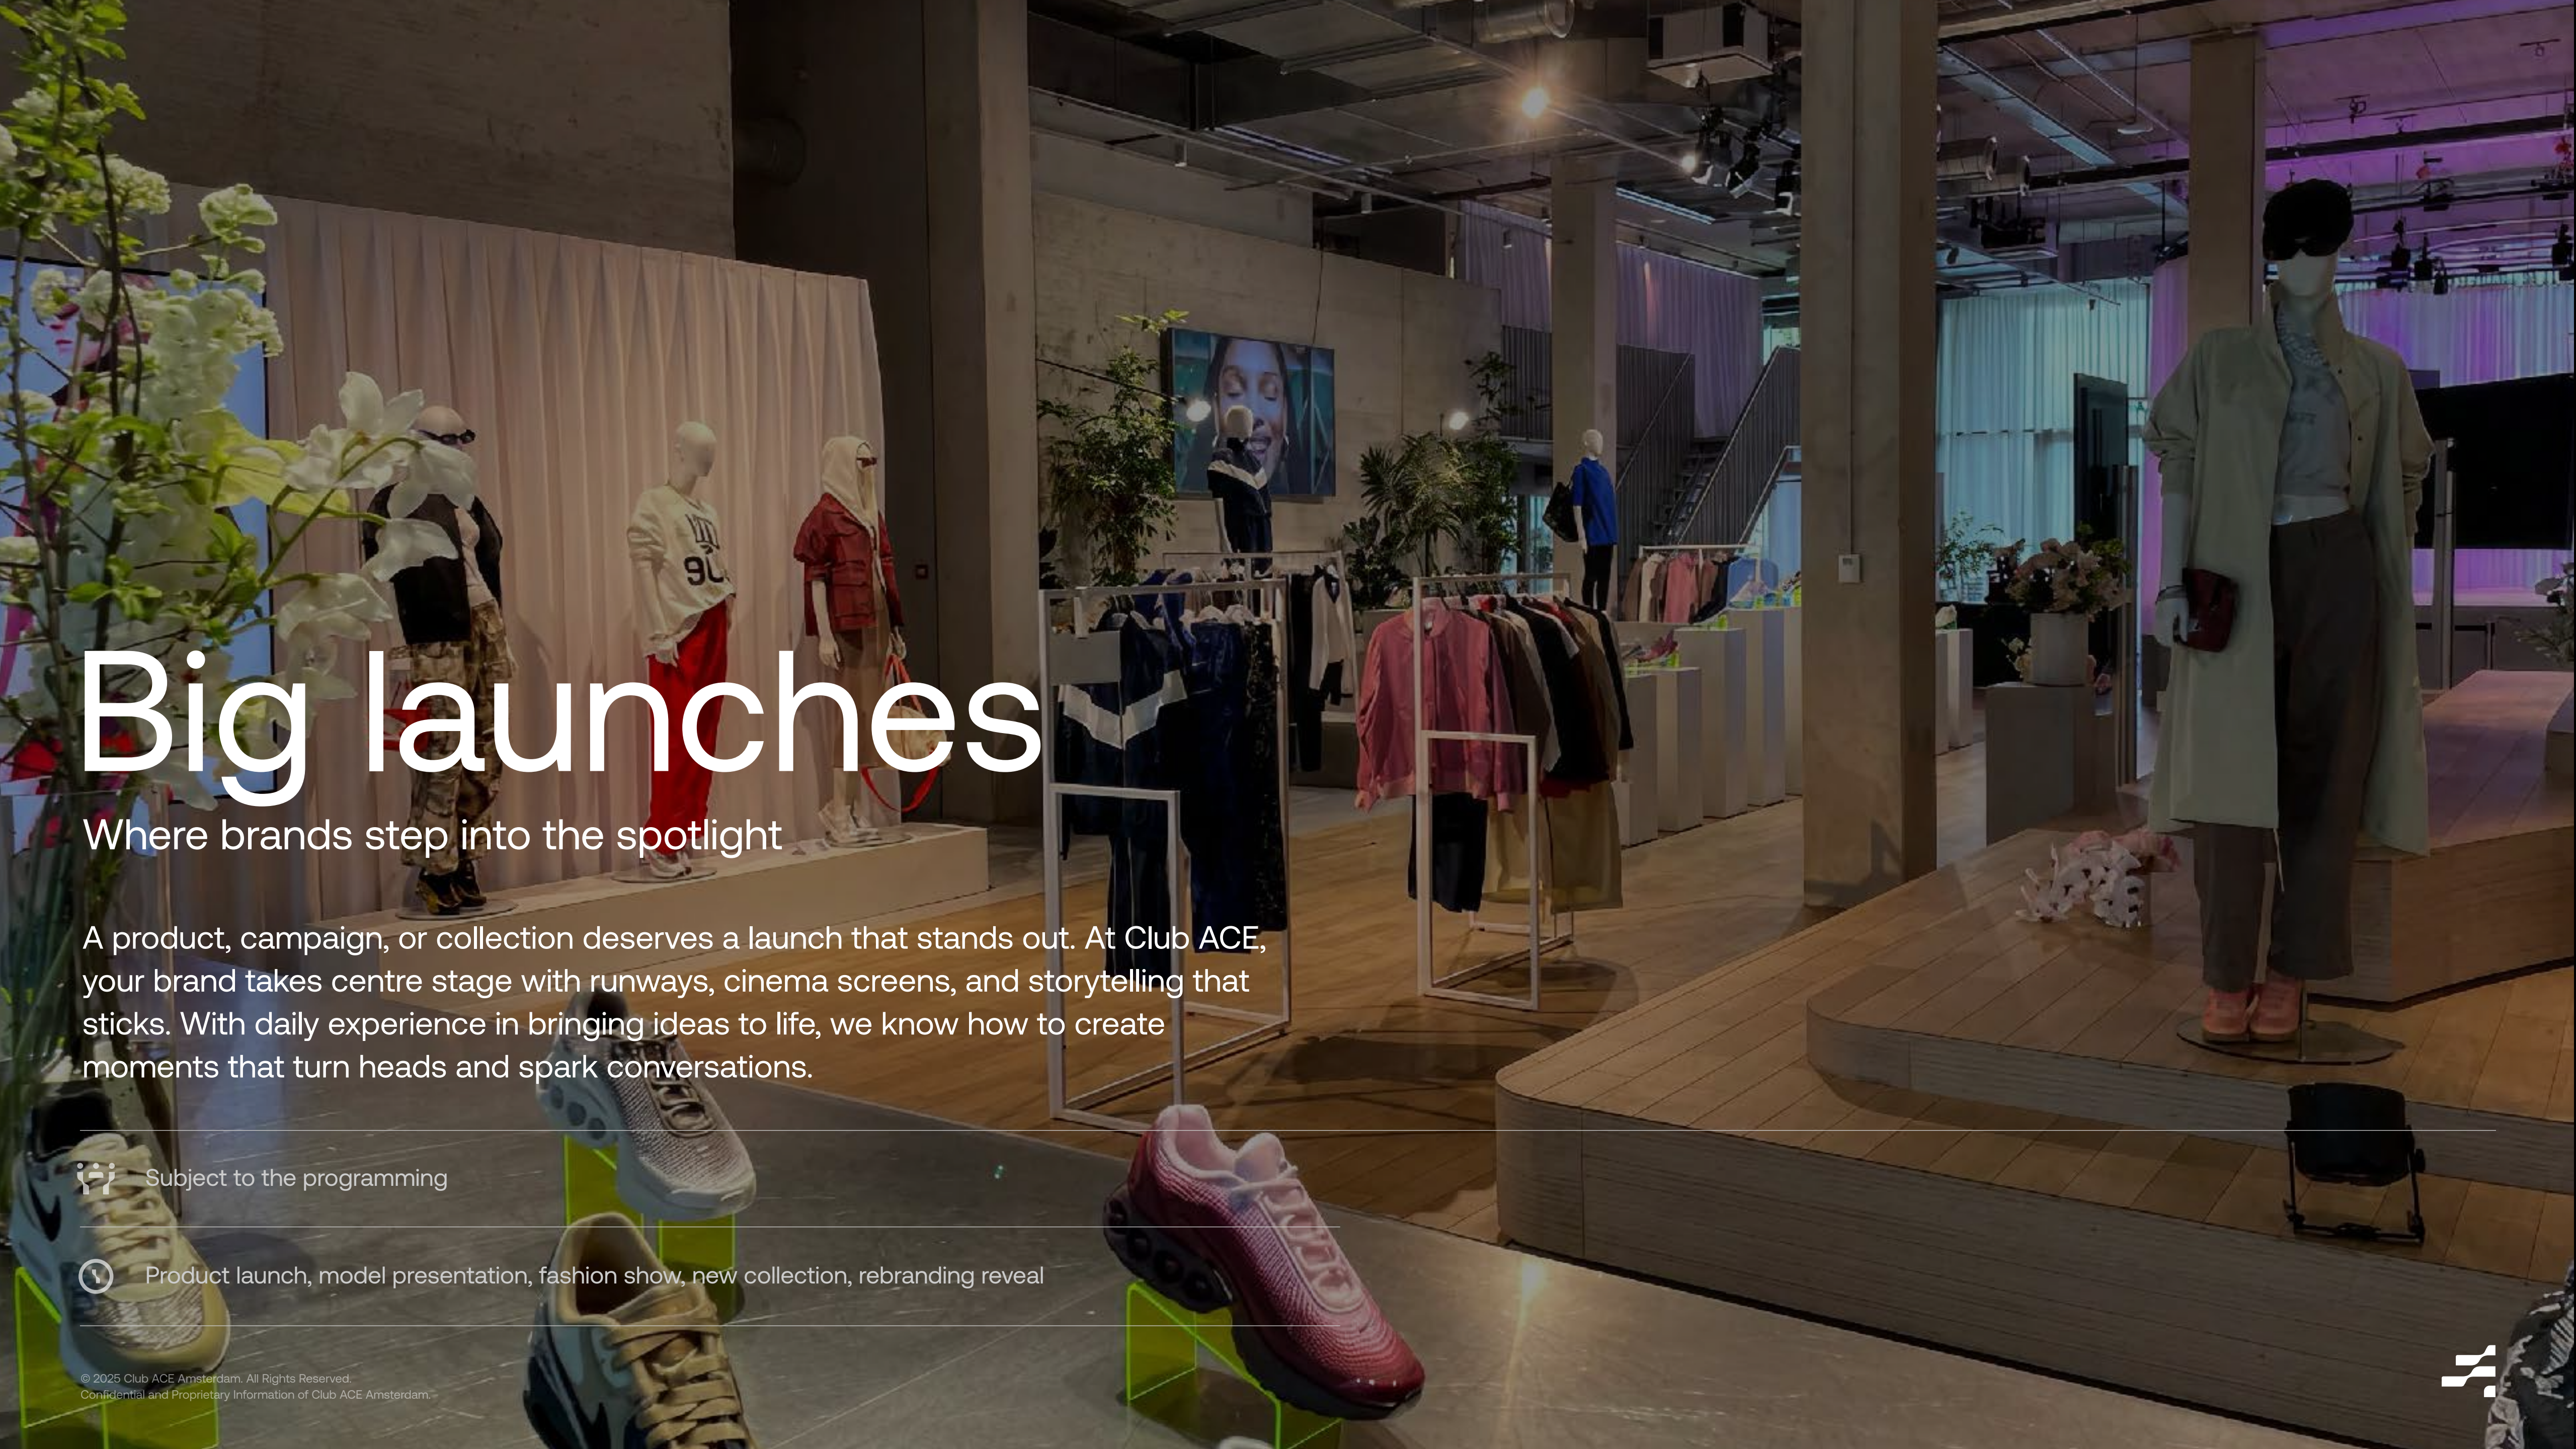

Not just a party, but a statement

Some moments deserve more than drinks and a microphone. A great celebration tells the story of who you are — as a brand, team, or organisation. At Club ACE, every detail shapes atmosphere, emotion, and energy. From visuals to speeches to the dance floor, it all comes together to create a celebration your guests will remember long after the night ends.

 Maximum capacity: 750 people

 Company party, anniversary celebration, End of Year party, award show, summer celebration

Big launches

Where brands step into the spotlight

A product, campaign, or collection deserves a launch that stands out. At Club ACE, your brand takes centre stage with runways, cinema screens, and storytelling that sticks. With daily experience in bringing ideas to life, we know how to create moments that turn heads and spark conversations.

 Subject to the programming

 Product launch, model presentation, fashion show, new collection, rebranding reveal

Catering for every event

Great catering doesn't just feed your guests — it shapes how they remember your event. At Club ACE, food and drinks are tailored to your moment, your message, and your atmosphere. Whether prepared in-house or with trusted partners like Sonah Fine Foods, Hete Peper, or Mes & Lepel, we deliver everything from creative bites to full-scale dinners. The result? Quality that delights, style that fits, and guests who leave talking about it.
