

MEETINGS INCENTIVES CONVENTIONS EVENTS

At Room Mate Bruno, we always put ourselves in **your** shoes. Thinking like our guests allows us to know how to throw a party! We understand the importance of a **customized** event since each one is different. What will never change, though, are our colorful spaces, the enthusiastic **efforts** of our team members, and the **open-mindedness** of your assigned contact person.

We are uncommon in a common sense.

YOUR CHOICE

Room Mate Bruno has an exceptional space where you can organize any event. Our hidden gem, the Event Hall, is not a set event area but a **flexible** space where Bruno is in for anything. At Room Mate Bruno, you can throw a party **the way you want**, with your brand all over the place, not ours. We can offer you an immersive experience with a **committed team** running the extra mile for you. Bruno has light show capabilities and a ground-level entrance from the outside. With even the possibility of maneuvering a small car inside!

And what about our terraces? We have one on the fifth floor overlooking the Maas, providing an incredible view over the Waterweg. On the third floor, you will find our second outdoor space. Our encapsulated terrace area is open to any of our guests. Organizing an event is one of many possibilities. It can be fitted with a canopy allowing your event to go on, even in bad weather!

We can provide you with an **excellent assortment of food and beverage**. However, you are also free to choose your caterer! Why not have a **pre-drink** at the patio bar, or make sure you start your event with a full stomach by passing by **the Foodhallen**? And after your successful event, our **designed rooms, cozy beds** and amazing breakfast (till 12:00) await you and your guests.

We take events seriously. We have hosted numerous of them and **co-operated** with organizations like Pride Rotterdam, Day clubbing, and North Sea Jazz. Are you looking for a **partner in crime**? Do you dare to be brave? Look no further!
