HET RIJK VAN DE KEIZER

EVENTS AND MEETINGS INFORMATION PACK

Inspired by nature, inspiring by design

If you've been looking for a venue that gives your event the space it deserves, you've found it.

Our estate lies in the Tuinen van West, a lush landscape of gardens and green paths on the western side of Amsterdam. The combination of nature and heritage buildings creates a setting that feels open and serene yet is just a 15-minute ride from the city centre and Schiphol Airport.

Groups settle in with ease here. Spread across two large rooms, a courtyard garden and waterside café, our spaces naturally blend the indoors and the outdoors.

The venue provides a solid foundation for any business meeting or workshop though is just as distinctive for a company dinner or private party. And our team hosts with the kind of warmth and attention to detail you would want to give guests yourself.

This is a place where new ideas come to life and gatherings leave an inspired impression.

Welcome to het Rijk van de Keizer!

What makes this place inspiring

A setting with character
A harmonious combination of gardens and heritage buildings gives het Rijk van de Keizer its distinctive look and feel. The calm setting offers a welcome contrast to typical city venues.

Nature all around you
Green paths and our courtyard garden invite you to step outside between sessions of indoor focus. Fresh air along with the sights and sounds of nature are always within reach.

Hosting that feels personal
We take time to understand your programme and stay involved from start to finish. Our team anticipates what you'll need, ensuring that all event components run smoothly and feel seamless.

Seasonal food from our own chefs
Meals are prepared by our chefs using organic local ingredients, including from our own backyard in the Tuinen van West. Each delicious dish reflects the kitchen team's care and creativity.

Space to reflect your brand
Our rooms have flexible layouts that adapt to your programme. Have your own signage, colour scheme or décor? We'll integrate them in a way that feels true to your brand.

Plus, we're easy to reach!
Well-connected to public transportation, we're just a 15-minute ride from Amsterdam's city centre as well as Schiphol Airport. Or for guests who prefer to drive, we have free parking on-site.
