# FACILITIES

KITCHEN 55 is a private dining space designed to feel like the most extraordinary dinner at a close friend's loft, intimate, refined, and effortlessly impressive.

At the heart of the space lies a striking designer kitchen, created not only for cooking but for connection, it easily welcomes all guests to comfortably gather around the kitchen thus creating a vibrant place to "hang," enjoy a drink, and interact with the chef as the evening unfolds.

It is where conversations begin, where dishes come to life, and where the energy of the night quietly builds. From there, the experience naturally moves toward the room's centerpiece: a stunning long dining table that seats up to 34 guests. It is designed for those unforgettable shared dinners, you know them all too well, the kind that feel both grand and deeply personal, like hosting the ultimate dinner party in your own private loft.

The space itself is warm and elegant, defined by soft neutral tones, carefully selected materials, and an atmosphere that feels both sophisticated and welcoming. Surrounded by fine wines and curated art, KITCHEN 55 offers a setting where design, gastronomy, and hospitality come together to create a truly memorable experience.

*"At KITCHEN 55, the space is more than a backdrop, it is part of the story of the evening"*
